CORAM : J.N. PATEL &
A.A. SAYED, JJ.

DATE : 13TH AUGUST, 2007.

P.C.:

1. This Civil Application has been filed by the original Respondent No.1 seeking clarification in the matter as to whether this Court has granted any interim relief to the petitioner which would result in stay of operation of the plant of the petitioner.

2. We make it clear that this Court has not granted any interim relief to the petitioner for the present as this Court has specifically directed that the committee appointed by the Court should get the issue examined which also relates to other connected matters where Municipal Corporations have sought to operate abattoir, and, therefore, we do not find any reason why the applicant-original Respondent No.1

should not be allowed to operate his plant if he has complied with all the statutory requirements and has valid permits required for operating the unit.

3. Needless to say that it will be subject to further orders to be passed by this Court after receipt of the report of the committee hearing the learned Counsel for the parties on the issue of grant of any interim relief. We specifically clarify that for the present there are no ad-interim or interim orders passed in the matter.

4. Nothing survives in the Civil Application and the same stands disposed of accordingly.
